Quarterly Report of Thumb Cellular Limited Partnership  
Regarding TTY Access to Digital Wireless Systems  
and Request for a Brief Extension of the TTY Deadline

Thumb Cellular Limited Partnership (Reporter) hereby submits its quarterly report regarding implementation of Text Telephone access (TTY) to digital wireless systems in compliance with the FCC's *Fourth Report and Order* in the captioned proceeding. 66 Fed. Reg. 35430 (July 5, 2001)

Reporter is licensed to provide cellular service in Michigan and Reporter utilizes Alltel's, formerly Century Cellnet's, nearby switching facility and is thus dependant upon Century Cellnet for TTY availability. Reporter has recently been advised by Alltel that Alltel's switch is now TTY compliant and that tests were conducted for Reporter's cell sites and that the TTY solution has been successfully implemented. Reporter considers that this report fulfills its reporting responsibility.

Respectfully submitted,
